Hackathons

Vishal has been participating in many Data Analytics and Artificial Intelligence (AI) hackathons since 2017, on Analytics Vidhya, HackerEarth and at Infosys. Here are some of the best performances -

- Analytics Vidhya
  - Current Rank: 1185 (as of 27-Oct-18).
  - WNS Analytics Wizard 2018 (Machine Learning Hackathon): **Ranked 157/3846**. [Sep-18]
  - Data Hack (Nirvahana): 3-round hackathon. He was **one of the 13 finalists**. [Feb-18]
- Infosys XPO Logistics Hackathon - Annual Intra-Infosys Hackathon (with all development centers together), on Analytics and AI, with 400+ teams and 1400+ participants. Vishal won the **Top Individual Performer Award**. [Dec-17]

He **participates solo** in all of the events.
